## UNITED NATIONS GLOBAL COMPACT

The UN Global Compact is a strategic policy initiative for businesses that are committed to aligning their operations and strategies with ten universally accepted principles in the areas of human rights, labour, environment and anti-corruption. By doing so, business, as a primary driver of globalisation, can help ensure that markets, commerce, technology and finance advance in ways that benefit economies and societies everywhere.

As social, political and economic challenges (and opportunities) - whether occurring at home or in other regions affect business more than ever before, many companies recognise the need to collaborate and partner with governments, civil society, labour and the United Nations.

This ever-increasing understanding is reflected in the Global Compact's rapid growth. With over 12,000 corporate participants and other stakeholders from over 145 countries, it is the largest voluntary corporate responsibility initiative in the world.

Endorsed by chief executives, the Global Compact is a practical framework for the development, implementation and disclosure of sustainability policies and practices, offering participants a wide spectrum of work streams, management tools and resources - all designed to help advance sustainable business models and markets.

## Death Benefit

When you take out Regency for Expats Life Insurance the amount of benefit will be agreed and specified within the Certificate of Insurance. The Death Benefit is a vital part of financial planning that can provide peace of mind to your loved ones and family members who have been left behind.

Regency's Death Benefit is designed to provide your beneficiary with an income that will allow them to maintain their lifestyle, thereby removing the worry of financial hardship. If the beneficiary is no longer living, the payment will go to your estate in the event of your death.

## Upfront Payment

Regency for Expats' Life Insurance policies are designed to help your beneficiaries from the very first instance. Most claims are settled in full in less than 90 days (unless further information or clarification is required).

Beneficiaries in unfamiliar surroundings at the time of your death will need access to financial assistance to pay for flights and legal expenses; issues with visas, unaccompanied children and red tape may need to be addressed. Within 24-48 hours of receiving official confirmation of your death, Regency will pay 10% of the sum insured to cover these expenses, thereby avoiding unnecessary financial hardship at such a sensitive time.

## Child Chaperone

Regency for Expats' Life Insurance is the only policy to include Child Chaperone payments within its cover. It is vital that both you and your beneficiaries have peace of mind that in the event of your death, there will be both financial and practical assistance available to ensure the orphaned children are taken care of and don't become a ward of court. Money will be made available to cover travel expenses to allow next of kin or guardians to collect the children.

## Bereavement Counselling

The death of a loved one is a devastating experience which can affect people in many different ways. Regency for Expats offers a valuable Bereavement Counselling service to help family members come to terms with their loss. Beneficiaries are just a phone call away from highly trained Counselling specialists, providing access to vital support in such an emotional time. The policy includes:

- Access to a 24-hour Bereavement Counselling Helpline
- Practical advice
- Counselling by telephone
- Confidential Psychotherapy and Counselling in the event of the death

## Mortal Remains Repatriation

## Beneficiary Claim Form

The first step of the claims process is to complete the claim form and to send it to Regency together with the Certified Copy of the Death Certificate (or similar official notification depending upon the country). Alternatively you can contact our 24-hour claims helpline at the number provided within your member pack or email us at [claims@regency-ga.com](mailto:claims@regency-ga.com) to request assistance.

## Assessing your claim

The progress of a claim can vary depending upon the circumstances of individual cases, how quickly we receive the necessary information and whether there are any complications. We will keep you updated with the progress each step of the way.

## When your claim has been accepted

Upon acceptance of a claim we can initiate a prompt upfront payment and provide practical assistance. Regency for Expats' 24-hour international assistance can manage the financial and administrative aspects on the beneficiary's behalf.
